Extreme racing cyclist Beat Hauser

CONGRATULATION: Extreme racing cyclists Beat Hauser has made it: the world record-breaking **1 million meters altitude difference** with his road bike in 2010.

The Passeiertal congratulated him for his terrific record!

For the year 2011, he has already devised a daring new endeavor. He will try a total of **55,000 KM with the road bike** (daily average = 150 km) and **across at least 500 passes**. We wish him well in advance all the best!

You too can accompany Hauser by his project, the dates for guided bike tours have already been fixed.
